

*(Lights up on Zoe and Adrianna)*

Zoe: I can't believe this I'm such an idiot

Adrianna: You're not an idiot Zoe (Z-Oh)

Zoe: I knew he was hiding something I could feel it. I just didn't think he would cheat on me, I, I thought under all his armor he really loved me

Adrianna: He does love you. I know that things look bad but you haven't even spoken to him.

Zoe: What other explanation is there for a woman calling him?

Adrianna: I don't know. But what I do know is that Victor is always trying to ruin things for Charlie. I mean we don't even know that he was telling the truth about the phone call.

Zoe: Then how do you explain Charlie's reaction. Innocent men have no reason to defend themselves.

Adrianna: They do if misguided women don't believe them

Zoe: Misguided? Are you putting this one me? Forgive me if I'm wrong but he's the one who cheated on me. And I'm going to sit here and pretend that I'm blind to what's going on. I've been a pushover all my life well I'm done with it. It's about time I finally started standing up for myself.

Adrianna: I'm not saying to be ignorant Zoe(Z-oh). All I'm saying in his maybe hear him out first before you write him off completely. Whether he did or didn't cheat you're still having a baby together.

Zoe: Oh my god. (A pause) You're right I wasn't even thinking of the baby. How could I be so selfish?

Adrianna: Don't beat yourself up. Having two people to look after is new for you.

Zoe: I've got to get used to it now I suppose. I'm going to wait for Charlie in his office. Once we're both calm we can discuss this rationally.

Adrianna: I'm proud of you

~~(Zoe exits. Lights out on them. Lights up on Charlie)~~

~~Charlie: What am I gonna do? What am I supposed to tell her?~~

~~Sebastian: (enters) Charlie...~~

~~Charlie: Seb if you're hear to tell me how badly I messed up I already know.~~

~~Sebastian: So why did you do it then~~

~~Charlie: You mean cheat on her? I didn't. I would never do that to her.~~
